Kentucky Medicaid Payment Policy

In addition to the policy, claims payments are subject to other plan requirements for the processing and payment of claims, including, but not limited to, requirements of medical necessity and reasonableness and applicable referral or authorization requirements.

Time-based service codes are used by providers to document and bill for services that are measured and reimbursed according to the amount of time spent delivering the service. Examples include prolonged services and certain evaluation and management (E/M), therapy and care management services.

Humana allows units for time-based service codes at the lesser of:

- The limitation outlined in any applicable Centers for Medicare & Medicaid Services (CMS) policy or guidance;
- The limitation outlined in any applicable Kentucky Department for Medicaid Services (KDMS) policy or guidance;
- The limitation outlined in any applicable Humana policy or guidance, including but not limited to, the Humana Healthy Horizons in Kentucky Policies Booklet available in the References section of this policy; or
- For each date of service, the maximum number of units that equals a single 24-hour period.
