Humana. Claims Payment Policy

Subject: Laboratory – Diagnosis of Idiopathic Environmental Intolerance

Application: Medicare Advantage Products
Policy number: LAB2023040
Published date: 07/2023
Revision date: 05/2026

Disclaimer: *The intended audience of this medical claims payment policy is healthcare providers who treat Humana members. This policy is made available to provide information on certain Humana claims payment policies. This policy is a guideline only and does not constitute medical advice, guarantee of payment, plan pre-authorization, an explanation of benefits, or a contract. This policy does not govern whether a procedure is covered under a specific member plan or policy, nor is it intended to address every claim situation. Claims may be affected by other factors, such as: state and federal laws and regulations, provider contract terms, and our professional judgment. This policy is subject to change or termination by Humana. Humana has full and final discretionary authority for its interpretation and application. No part of this policy may be reproduced, stored in a retrieval system or transmitted, in any shape or form or by any means, electronic, mechanical, photocopying or otherwise without express written permission from Humana. When printed, this version becomes uncontrolled. For the most current information, always refer to the following website:* ***Humana.com/ClaimPaymentPolicies***

Medicare Advantage Payment Policy

As a Medicare Advantage plan, we have developed payment policies to explain coverage more fully for services. The criteria outlined will apply to Medicare Advantage plans except when the procedure(s) has established criteria through the Original Medicare National Coverage Determinations (NCDs) and Local Coverage Determinations (LCDs) as outlined below.

In addition to the policy, claims payments are subject to other plan requirements for the processing and payment of claims, including, but not limited to, requirements of medical necessity and reasonableness and applicable referral or authorization requirements.

- At a general wellness exam, testing for chlorinated pesticides (CPT code 82441), including dichlorodiphenyldichloroethylene (DDE) and dichlorodiphenyltrichloroethane (DDT), using a blood, serum, plasma, saliva, urine or stool sample **IS NOT REIMBURSABLE**.

- At a general wellness exam for individuals over the age of four, testing blood, serum, plasma, saliva, urine or stool sample **IS NOT REIMBURSABLE** for any of the following:
  - 5-Hydroxyindolacetic acid (5-HIAA) (CPT code 83497)
  - Amino acids (CPT code 82127, CPT code 82136, CPT code 82139)
  - Allergen-specific immunoglobulin G (IgG) (CPT code 86001*)
  - Behenic acid (CPT code 82542)
  - Carotene or beta-carotene (CPT code 82380)
  - Carnitine (CPT code 82379^^)
  - Citrate (CPT code 82507)
  - Elastase (CPT code 82653, CPT code 82656)
  - Fat differentiation, qualitative or quantitative (CPT code 82705, CPT code 82710, CPT code 82715)
  - Fat stain (CPT code 89125)
  - Gastrointestinal fat absorption study (CPT code S3708)
  - Glutathione (CPT code 82978)
  - Homovanillic acid (HVA) (CPT code 83150)
  - Lignoceric acid (CPT code 82542)
  - Lipid peroxides (CPT code 82542)
  - Prealbumin (CPT code 84134)
  - Vanillylmandelic acid (VMA) (CPT code 84585)

- At a general wellness exam, testing blood, serum, urine, cerebrospinal fluid, fingernails, hair or stool sample **IS NOT REIMBURSABLE** for any of the following:
  - Cadmium (CPT code 82300***)
  - Chromium (CPT code 82495***)

- Copper (CPT code 82525***)
- Heavy metal, qualitative or quantitative (CPT code 83015***, CPT code 83018***)
- Magnesium (CPT code 83735*^)
- Manganese (CPT code 83785***)
- Nickel (CPT code 83885***)
- Organic acids, qualitative or quantitative (CPT code 83918, CPT code 83919, CPT code 83921)
- Selenium (CPT code 84255***)
- Tocopherol alpha, also known as vitamin E (CPT code 84446^^)
- Vitamin A (CPT code 84590^^)
- Volatiles (CPT code 84600)
- Zinc (CPT code 84630***)

Applicable procedures for Medicare Advantage plans

Procedure code	Code description
82127	Amino acids; single, qualitative, each specimen
82136	Amino acids, 2 to 5 amino acids, quantitative, each specimen
82139	Amino acids, 6 or more amino acids, quantitative, each specimen
82300***	Cadmium
82379^^	Carnitine (total and free), quantitative, each specimen
82380	Carotene
82441	Chlorinated hydrocarbons, screen
82495***	Chromium
82507	Citrate
82525***	Copper
82542	Column chromatography, includes mass spectrometry, if performed (eg, HPLC, LC, LC/MS, LC/MS-MS, GC, GC/MS-MS, GC/MS, HPLC/MS), non-drug analyte(s) not elsewhere specified, qualitative or quantitative, each specimen
82653	Elastase, pancreatic (EL-1), fecal; quantitative
82656	Elastase, pancreatic (EL-1), fecal, qualitative or semi-quantitative
82705	Fat or lipids, feces; qualitative
82710	Fat or lipids, feces; quantitative
82715	Fat differential, feces, quantitative
82978	Glutathione
83015***	Heavy metal (eg, antimony, arsenic, barium, beryllium, bismuth, gadolinium, mercury); qualitative, any number of analytes
83018***	Heavy metal (eg, antimony, arsenic, barium, beryllium, bismuth, gadolinium, mercury); quantitative, each, not elsewhere specified
83150	Homovanillic acid (HVA)
83497	Hydroxyindolacetic acid, 5-(HIAA)
83735*^	Magnesium
83785***	Manganese
83885***	Nickel
83918	Organic acids; total, quantitative, each specimen
83919	Organic acids; qualitative, each specimen
83921	Organic acid, single, quantitative
84134	Prealbumin
84255***	Selenium
84446^^	Tocopherol alpha (Vitamin E)
84585	Vanillylmandelic acid (VMA), urine
84590^^	Vitamin A

84600	Volatiles (e.g., acetic anhydride, diethylether)
84630***	Zinc
86001*	Allergen specific IgG quantitative or semiquantitative, each allergen
89125	Fat stain, feces, urine, or respiratory secretions
S3708	Gastrointestinal fat absorption study

** The payment criterion for 86001 applies to all Medicare jurisdictions except for those states awarded to First Coast Service Options, Wisconsin Physicians Service Insurance Corporation, CGS Administrators, LLC, National Government Services, and Novitas Solutions, Inc.*
**^ The payment criterion for 83735 applies to all Medicare jurisdictions, except those states awarded to Noridian Healthcare Solutions, and Palmetto GBA.*
^^ The payment criterion for 82379, 84446, 84590 applies to all Medicare jurisdictions, except those states awarded to Novitas Solutions.
**** The payment criteria for 83785, 82300, 83015, 83885, 82495, 84255, 84630, 82525, and 83018 apply to all Medicare jurisdictions, except those states awarded to National Government Services, Inc.*

Original Medicare Local Coverage Determinations (LCDs)

Contractor name	Policy title	Policy number	Procedure code
CGS Administrators. LLC	RAST Type Tests	L34063	86001
First Coast Service Options, Inc.	Allergy Testing	L33261	86001
National Government Services, Inc.	Heavy Metal Testing	L35074	82300 82495 82525 83015 83018 83785 83885 84255 84630
National Government Services, Inc.	RAST Type Tests	L33591	86001
Noridian Healthcare Solutions, LLC	Serum Magnesium	L36702	83735
Novitas Solutions, Inc.	Allergy Testing	L36241	86001
Novitas Solutions, Inc.	Assays for Vitamins and Metabolic Function	L34914	82379 84446 84590
Palmetto GBA	Magnesium	L39400	83735
Wisconsin Physicians Service Insurance Corporation	Allergy Testing	L36402	86001
